MEMORANDUM FOR THE ATTORNEY GENERAL

RE: MARTIN LUTHER KING, JR.

This Bureau's investigation of the communist influence in racial matters has developed considerable information indicating the influence upon Martin Luther King, Jr., head of the Southern Christian Leadership Conference, by individuals with subversive backgrounds such as Stanley David Levison, Harry Wachtel, Bayard Rustin and others. From time to time, King meets with these individuals and coverage of these meetings by this Bureau results in the obtaining of evidence of the influences upon King as well as information concerning the tactics and plans of King and his organization in the civil rights movement. The coverage of these meetings also has developed information concerning King's involvement in the Vietnam situation. These meetings frequently take place in hotel rooms in New York City.

On October 14, 1965, information was obtained that King was to spend the night of October 14, 1965, at the Astor Hotel in New York City. We also had information that King planned to meet with his advisors while in New York City, October 14-15, 1965. Because of the importance of the meeting and the urgency of the situation, a microphone surveillance was effected October 14, 1965, on King in Room 345, Astor Hotel, 44th Street and Broadway Avenue, New York City. This surveillance involved trespass and was discontinued on October 15, 1965.

Respectfully,

J. Edgar Hoover
